

## Down to the Pond

Down to the pond,  
The ducks all go.  
Waddle, waddle, waddle,  
Oh, so slow.

Down to the pond,  
What fun! What fun!  
Faster, faster, faster, faster,  
Run, run, run.

## Walking Tiptoe

When I walk on tiptoe,  
That makes me feel so tall.

When I crouch down low,  
I feel so very small.

But what I like

The best of all.....

Is to bounce, bounce, bounce,

Like a great big ball.
