

## One Little Flower, One Little Bee

One little flower, one little bee,  
One little blue bird, high in the tree,  
One little brown bear smiling at me,  
One is the number I like you see!

## Counting Feet

How many boots should a puppy buy,

To keep her feet nice and dry?

Let's count her feet and then we'll know-

I can count, watch me go!

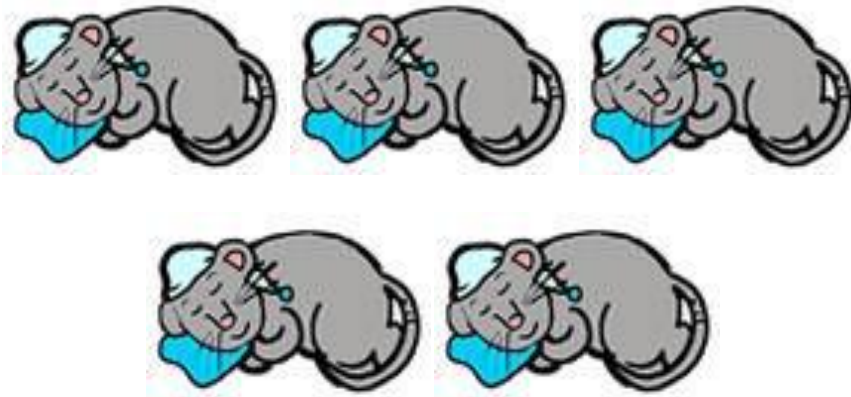

One, two, three, four.

Four new boots is what she should buy-

That will keep the puppy dry!

(Continue with different animals or people)

## Five Mice Sleeping

Five mice sleeping,  
So quiet in their nest.

Wake one,

Wake two,

Wake up all the rest!
