

Attendance Policy

Introduction:

Changing social habits and patterns, together with the requirements of legislation, necessitated the updating of the schools attendance policy. The redrafting was a collaborative process involving staff and Board of Management, following initial drafting by a representative group.

Rationale:

The main factors contributing to the formulation of a revised policy could be summarized as follows:

- a) The school is in the DEIS Programme as a Band 1 Urban school
- b) The changing fabric of society
- c) The influx of non-Irish nationals
- d) The roll of the N.E.W.B
- e) Legislative requirements such as the Education Welfare Act 2000
- f) Changing attitudes to education

Aims and Objectives:

The revised policy is geared towards

- Encouraging full attendance where possible
- Identifying pupils at risk
- Promoting a positive learning environment
- Enabling learning opportunities to be availed of
- Raising awareness of the importance of school attendance
- Fostering an appreciation of learning

Compliance with School Ethos:

This policy complements the school ethos of nurturing potential in a caring environment where the welfare of children is paramount.

School Vision Statement:

- ❑ Our school is a happy, caring, safe and creative community where we actively seek to understand, accept and respect each individual.
- ❑ We work together to consistently create a positive environment in which all can enjoy a full and rounded learning experience.
- ❑ We are committed to providing the life skills and knowledge necessary for all in our community to achieve their full potential.

School Motto:

The school motto is 'Mol an Óige'.

Roles and Responsibilities:

All staff have an input into the implementation of the policy.

The Deputy Principal has responsibility for maintaining the Leabhair Tinreamh and liaising with and making returns to the National Education Welfare Board [NEWB].

Policy Content:

Recording

Individual school attendance is recorded in the Leabhair Rolla of each class and on Aladdin.

The data is recorded in school's Leabhair Tinrimh by the Deputy Principal. All children attending and data on parents are recorded in the school register, the Clár Leabhair.

A note from parents/guardians [on absence slip or orally in Infants' classes and in Homework Journal for all other classes] is required to cover each absence.

Parents have a deadline of two days following their child's return to school to give an explanation for the absence, otherwise the absence will be recorded as unexplained.

The importance of good regular attendance will be highlighted at class based meetings, parent teacher meetings and at infant induction day. Parents will also be reminded of the requirements of the NEWB, particularly the regulation relating to absences of 20 days or more per school year.

School Strategies:

School attendance in our school has been adversely affected by social circumstances. Staff remain vigilant so that at-risk students are identified early.

At-risk students include those who miss periods or patterns of absence without an explanation from parents/guardians. Appropriate contact takes place between school and parent/guardians either via letter, text message or note in the homework diary or phone call, when this occurs. A meeting between parents and the Deputy Principal [and/or the Principal as required] may be set up if deemed necessary. Absences of particular concern are referred to and discussed with the E.W.O. (Education Welfare Officer)

Communication with other Schools

- When a child transfers from Scoil Bhríde N.S. to another school, schools records on attendance, academic progress etc. will be forwarded on receipt of written notification of the transfer.
- When a child transfers into Scoil Bhríde N.S. confirmation of transfer will be communicated to the child's previous school, and appropriate records sought.
- When pupils are transferring from Scoil Bhríde N.S. to a Post Primary school records will be forwarded on receipt of confirmation of enrolment.

Communication with Parents

The school informs all parents of the implications of non-attendance as per the Education Welfare Act 2000. This information is disseminated by letters/notes, text messages, phone calls or through word of mouth. Parents of new children are informed on enrolment. Parents of new infants are informed on their induction days.

Promoting Attendance

The school promotes good attendance by

- Creating a safe and welcoming environment
- Ensuring children are happy
- Displaying kindness, compassion and understanding
- Being vigilant so that risks to good attendance such as disadvantage, bullying, etc. are identified early
- Sometimes rewarding good attendance with certificates and 'lucky dip' prizes
- Breakfast / Lunch Club / Homework Club
- Keeping parents/guardians informed of attendance patterns and rates of attendance

The National Education Welfare Board

The Education Welfare Officer (EWO) is informed if:

- a) A child is expelled
- b) A child is suspended for 6 days or more
- c) A child has missed 20 days or more
- d) A child's attendance is a cause of concern

The NEWB is furnished with the total attendances in the school year through the Annual Report Form which is completed on-line.

Evaluation:

The success of any Attendance policy is measured through

- Improved attendance levels
- Happy, confident and well adjusted children
- Positive parental feedback
- Increased teacher vigilance

Implementation/Ratification and Review:

This policy has been in operation in Scoil Bhríde N.S. since January, 2008.
